1 Introduction

1.1 Purpose

The purpose of this policy is to advise the actions to be taken to prevent the health, safety and wellbeing of our community being adversely affected by the misuse of drugs and or alcohol. This policy also details the consequences where failure to comply occurs.

1.2 Scope and Application

- To create a Workplace free from the misuse of drugs
- To permit alcohol use only in exceptions approved by the Chief Executive (CE) or an expressly authorised delegate.
- To support the appropriate rehabilitation of staff and students seeking assistance with alcohol and/or drug problems
- To ensure compliance with our legal and good employer obligations under New Zealand legislation
- The Drugs and Alcohol Policy and the Procedures will apply to all colleagues of Ara Institute of Canterbury Limited (Ara Ltd) as well as students and contractors.
- Activities and behaviour at the Ara Ltd Student Accommodation will be managed using the Ōtautahi House Agreement and supporting rules.
- This Policy does not seek to limit the activities or responsibilities of our Visions and STARZ Restaurants where permitted under the terms of the Restaurant Liquor Licenses.
- Agreed training partners may require students to undertake pre-enrolment and or random drug and alcohol testing as a condition of training provision.

1.3 Formal Delegations

As specified in the People and Culture delegations schedule.

1.4 Definitions

2 Principles

Ara Ltd is committed to creating a drug free and alcohol-controlled workplace to safely achieve its business objectives. This commitment:

- promotes workers' wellbeing, health and safety
- promotes student wellbeing, health and safety
- creates a work environment where workers and students feel safe
- Ara Ltd accepts the responsible consumption of alcohol at approved functions
- confirms a zero tolerance toward the misuse of drugs and alcohol in the workplace
- recognises the importance of satisfying the client and providing quality service
- improves business performance including management of business risk and associated costs
- Ara Ltd supports, where appropriate, the rehabilitation of staff and students seeking assistance

Ara Ltd will support its staff in achieving this goal through the following initiatives:

- **Education/ Training**
The Drug and Alcohol Policy and procedures will be supported by educational material and training as required.
- **Post-Accident/ Incident Testing**
Workers and students may be tested for the presence of drugs and/or alcohol when they are involved in an incident or accident where their actions may have contributed to the event. Serious incidents will result in mandatory testing at Ara Ltd's discretion.

All policies on Waituhi are the current version. Please check date of this hard copy before proceeding.

- **Reasonable Cause Testing**
Workers and students may be tested for the presence of drugs and/or alcohol where their actions, appearance, behaviour or conduct suggests drugs and/or alcohol may be impacting on their ability to work effectively and safely.
- **Course related testing**
Training involving some industry partners may require students to undertake and pass drug and alcohol testing, prior to and during training, as a condition of the enrolment process, eg New Zealand Certificate in Commercial Road Transport, (Heavy Vehicle Operator L3).
- **Misconduct**
Workers or students observed misusing, selling, or supplying drugs and/or consuming unauthorised alcohol at work will be disciplined according to Ara Ltd misconduct procedures. Workers or students refusing to consent to undertake drug/alcohol testing will also be disciplined as above.
- **Rehabilitation**
Ara Ltd may, on a case-by-case basis, assist with a Drug or Alcohol Rehabilitation Programme for colleagues and students voluntarily asking for assistance or testing positive for drugs and/or alcohol for the first time under this policy.

3 Associated procedures for

Ara Ltd Corporate Policy on: Drugs and Alcohol

Contents:	3.1	Drug free and alcohol-controlled workplace
	3.2	Drug testing AS/NZS 4308: 2008 compliant
	3.3	Alcohol testing

3.1 Drug free and alcohol-controlled workplace

Unless as permitted in the Ara Ltd licensed restaurants and the student accommodation, alcohol can only be provided at an Ara Ltd function or on Ara Ltd property with the prior approval of the CE or an expressly authorised delegate, this approval is conditional on the continual presence of a responsible manager, employer or host.

The policy strictly prohibits:

- The misuse, sale, or supply of drugs and/or the unauthorised consumption of alcohol while on Ara Ltd property or at an Ara Ltd activity.
- Any activity where the use of drugs or misuse of alcohol could bring Ara Ltd into disrepute.
- Reporting to work or study under the adverse influence of drugs or alcohol.
- Having any level of alcohol above 100 micrograms of alcohol per litre of breath. This is equivalent to zero alcohol tolerance.
- Having a urine level of drug and/or metabolite that exceeds the confirmatory concentrations in Table 2 of the Australian/New Zealand Standard, AS/NZS 4308:2008: "Procedures for specimen collection and the detection and quantitation of drugs of abuse in urine" (14.3).
- Having an unacceptable urine level of a drug of abuse (and/or its metabolite) which is not listed in Table 2 of AS/NZS 4308: 2008.
- Compromising or attempting to compromise the integrity of the urine specimen or the testing process.

3.2 Drug testing AS/NZS 4308: 2008 compliant

Urine specimens shall be collected by a NZQA qualified collector qualified to collect urine specimens (US 25458) and conduct “on-site” drug screens (US 25511). The screen is conducted using an AS/NZS 4308: 2008 verified “on-site” screening device or at an accredited screening laboratory. Dilution and other specimen integrity tests shall also be undertaken. Any specimen resulting in either a “not negative” screen for a drug class or an indication that the integrity is suspect will be forwarded to an accredited laboratory for confirmatory testing.

3.3 Alcohol testing

Breath alcohol tests will be conducted using an Approved Testing Device which meets the Australian Standard: AS3547:1997/Amendment 1-2000 (Type 2) “Breath Alcohol Testing devices for Personal use”. The threshold level will be the equivalent of zero alcohol tolerance, i.e. 100 micrograms of alcohol per litre of breath.
